- Supplemental Nutrition Assistance Program (SNAP) (formerly the Food Stamp Program) –
 Provides monthly benefits that help low-income households buy the food they need for good
 health.

- For more information about programs and services or for specific information about your case, call 1-888-LAHELPU (1-888-524-3578).

How do you apply for assistance?

- Complete the Application for Assistance, form OFS 4APP.
- The Application for Assistance may be completed online and submitted electronically on the DCFS website at www.dcfs.la.gov/CAFE.
- You may also apply online or pick up a paper application at one of your <u>local community partners</u> or DCFS office.
- Return the completed form to DCFS through one of the ways listed below, if a paper application is completed.
- Call 1-888-LAHELPU (1-888-524-3578) and apply over the telephone.
- One form may be used to apply for the FITAP, SNAP, and KCSP.
- You may file a separate application for SNAP. Whether you file a SNAP application (paper or online) with another program or separately, your SNAP application will be processed according to the same SNAP procedures, including timeliness, notice, and fair hearing requirements.
- If you file an application for SNAP jointly with another program and are denied benefits from the other program, you do not have to turn in another application for SNAP. You may not be denied SNAP benefits just because you may not be eligible for benefits from another program.
- We will determine your eligibility for all programs for which you apply.
- You need to be interviewed if you are applying for FITAP, SNAP, or KCSP.
- You need to provide verification to DCFS. Verification is explained below.

Submit your application or verification through one of the following ways:

Do you need help completing the application form?

- You may ask someone to help you fill out the form, or
- You may ask the worker during your interview to help you fill out the application.

What happens after we receive your application form?

- You will receive an appointment letter to schedule your interview.
- You will receive a list of verification that is required.
- Your eligibility will be determined within 30 days from the date of application.
- If you applied for FITAP, you may be required to participate in the Strategies to Empower People (STEP) Program. The STEP Program provides opportunities for work-eligible FITAP families to receive job training, employment, and supportive services to enable them to become selfsufficient.

What will we do with the information that you provide?

- Information you give us on your application form will be verified by federal, state, and local offices
 including computer cross-matching with other agencies. Someone from our agency may contact
 other people in order to verify your eligibility for benefits.
- The alien status of household members is subject to verification through the United States Citizenship and Immigration Service (USCIS) and may affect eligibility and benefit amount.
- You will not have to provide immigration status information or documents for any household members who are not eligible because of immigration status and who are not asking for benefits.
- If a member of your household does not wish to provide information about his/her citizenship or immigration status, he or she will not be eligible for benefits. Other family or household members may still receive benefits, if they are otherwise eligible. You can apply for and get benefits for eligible household members even if your household includes other members who are not eligible because of immigration status.
- If you or your household is approved for FITAP benefits, your information will automatically be sent to the Louisiana Department of Health (LDH). LDH will see who qualifies for Medicaid and send you a letter with more information about the Medicaid program. Individuals approved for KCSP benefits who are interested in receiving Medicaid can visit the LDH website to learn how to apply.

Why do we need your Social Security Number and are you required to provide it?

- The collection of information requested on the application form, including Social Security Numbers (SSNs) of household members, is voluntary and authorized under the Food and Nutrition Act of 2008, (7 U.S.C. 2011-2036), as amended. Failure to provide required information including SSNs or proof you have applied for an SSN for household members may result in that person's ineligibility for SNAP and cash assistance. You will not have to provide Social Security Numbers for any household members who are not eligible because of immigration status and who are not asking for benefits.
- SSNs are used to:
 - collect information from other sources,
 - check identity of household members,
 - o determine whether your household is eligible, and
 - o prevent households from getting more benefits than they are entitled to receive.
- SSNs are used in state and federal program reviews, audits, and computer-matching with other agencies such as Louisiana Workforce Commission, Social Security Administration, Internal Revenue Service, etc., through the State Income and Eligibility Verification System.
- Under the Privacy Act of 1974(P.L. 93-579), SSNs may be released for various reasons including those directly connected to the administration of the Child Support Enforcement Program.

What type of verification do you need to provide?

Verification means proof of the information you report. The following table lists the information that must be verified by each program and the examples of the proof that is required. Let your worker know if you have any questions about what you must provide or if you need help in getting the proof. It is our responsibility to help you get the proof that you need.
